REMARKS

Upon the careful review of recently issued U.S. Patent 7,314,408 B2, the above-listed typographical and grammatical errors were noted. Patentees prepared this request for correction to the specification in order to correct these typographical errors. These mistakes are of a clerical nature and of minor character, and occurred in good faith. Thus, the correction of these mistakes do not constitute new matter and do not make necessary a reexamination of the patent. Further, the requested changes to the specification does not change the scope of Patentees' rights granted under this patent.

Patentees are hereby requesting the issuance of a Certificate of Correction pursuant to 37 CFR §1.322 and §1.323. A proposed Certificate of Correction is also submitted herewith.

Please charge Deposit Account No. 02-1818 for any fees due in connection with this request.

Patentees respectfully solicit the granting of the requested Certificate of Correction.

If there are any questions, please telephone the undersigned.

Respectfully submitted,

By:
